UNSC Anti-Armor Cobra

The UNSC Cobra is a surprisingly agile and fast fixed dual-mode battle tank. While in mobile mode, the Cobra can quickly cover long distances and launch a powerful offensive using its twin 30mm light rail guns. It can also transform into lock-down mode and deploy a huge turret mounted 105mm light railgun that can punch through most Covenant shields and vehicles with ease.

Cobra Antitank de CENU

El Cobra de CENU es un tanque de batalla de fijo en modo dual sorprendentemente ágil y rápido. En el modo móvil, el Cobra puede cubrir rápidamente grandes distancias y lanzar una ofensiva de gran alcance usando sus dos cañones de riel de 30mm de luz. También puede transformarse en modo de bloqueo y desplegar una enorme torreta montada del cañón de riel de 105mm de luz que puede perforar a la mayoría de escudos y vehículos de Covenant con facilidad.

Cobra d'assaut antitank de l'UNSC

L'UNSC Cobra est un char d'assaut de combat bimode à x à très rapide et très agile. En mode mobile, la Cobra peut parcourir de longues distances rapidement et lancer une attaque puissante à l'aide de ses deux canons à rail doubles légers de 30 mm. Il peut également passer en mode stationnaire et déployer un énorme canon à rail léger de 105 mm fixé sur une touraille qui peut anéantir la plupart des boucliers et véhicules du Covenant en un rien de temps.

RVN Panzerabwehr Cobra

Der RVN Cobra ist ein überraschend wendiger fester Kampfpanzer mit Zweifachfunktion. Im Mobil-Modus kann sich der Cobra schnell über große Distanzen bewegen und mit seinen doppelten 30 mm Schienenkanonen schlagkräftige Angriffe führen. Im Verankerungsmodus kann er von seinem Turm aus eine 105 mm Schienenkanone ausfahren, die problemlos die Panzerung der meisten Covenant-Einheiten und Fahrzeuge durchschlägt.

RVN antitank-Cobra

De RVN Cobra is een verrassend behendige en snelle fiks gevechtstank met dubbele modus. In mobiele modus kan de Cobra lange afstanden snel afleggen en krachtig aanvallen met zijn dubbele 30mm licht railguns. In statische modus kan hij een gigantische geschutskoepel met een lichte 105mm railgun inzetten waarmee hij met gemak dwars door de meeste Covenant-schillen en voertuigen heen schiet.

Il veicolo Anti-corro UNSC Cobra

Il veicolo Cobra è un carro armato da battaglia a doppia modalità fissa sorprendentemente agile e veloce. In modalità mobile, Cobra è in grado di coprire rapidamente lunghe distanze e di lanciare potenti offensive utilizzando i suoi cannoni gemelli a rotaia leggeri da 30mm. E' in grado di passare in modalità fissa e schierare un enorme cannone a rotaia leggero da 105mm su una torretta in grado di penetrare con facilità attraverso la maggior parte delle corazzate e dei veicoli Covenant.

Cobra Anti-Armadura de CENU

O CENU Cobra é um tanque de guerra fijo de modo duplo surpreendentemente ágil e rápido. Enquanto estiver no modo móvel, o Cobra pode rapidamente cobrir longas distâncias e lançar uma poderosa ofensiva usando seus dois metralhadores de 30 milímetros de luz. Ele também pode assumir o modo estático e implantar uma torre enorme disparando metralhadoras de 105 milímetros de luz que pode perfurar os escudos da maioria dos Covenant e veículos com facilidade.
